Sarsaparilla, through its purifying power, removes the cause of the disorder and produces astonishing cures.

The sarsaparilla root of the tropies does not by itselfactive these results. It is aided by the extracts combined with it, of still greater power. So potent is this union of healing virtues, Suphilis or Fenereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maindies by any medicine. Leucorrhans or Whites, Uterine Uterrations, and Female Diseases in general, are commonly soon relieved and ultimately cured by the invigorating and purifying effect of our Sarsaparilla. Rheumatism and Gout, often dependent on the accumulations of extraneous matters in the blood, have their remedy also in this medicine. For Liver Complaints, torpidly, inflammation, abcess, etc., caused by ranking poisons in the blood, we unhesitatingly recommend the Sarsaparilla.

This medicine restores health and vigor where no specific disease can be distinguished. Its restorative power is soon felt by those who are Languid, Listicss, Despondent, Sleepless, and filled with Nerrous Apprehensions or Feura, or who are troubled with any other of those affections symptomatic of weakness. Many, after taking it for General Beblitty, have written us of the youthful vigor imparted to their nervous system, which seemed buoyant with that prolific life they though had departed on the advance of age. Others, whose fountains of life were always sterile, acknowledge their obligations to it for an obvious change.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from mularious, marsh, or miasmatic poisons. As its name implies, it does Cure, and does not fail. Containing neither Arsenic, Quinine, Bismuth. Zinc, nor any other mineral or poisonous substance whatever, it in nowise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly falled.

Unacclimated persons, either resident in, or travelling through miasmatic localities, will be protected by taking the AGUE CURE daily.

For Liver Compitaints, arising from torpidity of the Liver, it is an excellent remedy, stanulating the Liver into healthy activity.

Prepared by Dr. J. C. AYER & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.
